Rev. Clarence Glover Jr.—Guest Minister
First African Freedom Church – Dallas, Texas

Family and friends, if you have love ones buried in St Paul CME Church Cemetery, please come and share in our program. A memorial candlelight ceremony will be held. One family member will be asked to represent the family.

Mr. Wash Bradford Jr.'s vision was to provide perpetual care for the cemetery. Our goal is to take his vision to another level for the cemetery.

We need your spiritual and financial help to make this possible.
